

Angleton Citizens' Police Academy Alumni Association Flag Memorial Fundraiser

The Angleton Citizens' Police Academy Alumni Association (ACPAAA) has pledged to assist the Angleton Police Department with purchasing DVD mobile cameras for each of their 18 patrol units. Each camera costs between \$6,000 and \$7,000.

To accumulate between \$108,000 and \$126,000 the Alumni will be offering personalized pavers to be placed in front of the Police Department around the flagpoles. This will become an area of quiet reflection. A concept design approved by the Alumni Association is shown at right. It may change, depending on the number of pavers sold. Each paver is made of sleek black granite measuring 4 by 8 inches and is engraved using state-of-the-art laser technology to ensure strength and durability for years to come.

Engraving suggestions include IN MEMORY OF..., IN HONOR OF..., IN SUPPORT OF..., or any other appropriate phrase, name, or organization. Any combination of letters, numbers, punctuation, and spaces may be used with up to 20 characters per line and a maximum of 3 lines.
